Dear Hiring Manager,

I am writing to express my interest in the Computer Teacher position. I have 1 year of experience in teaching computer-related subjects, and I am eager to continue applying my technical knowledge, strong communication skills, and passion for education to support students in developing their computer skills.

I am highly motivated to help students understand computer fundamentals, including basic programming, digital tools, and practical technology skills that are essential for both academic and professional success. I believe that patience, hands-on learning, and a supportive classroom environment are key to helping students build confidence and interest in technology.

I am excited about the opportunity to grow as a teacher while contributing to your institution. I am confident that my experience, enthusiasm for technology, and commitment to student progress will make me a valuable addition to your program. Thank you for considering my application, and I look forward to the possibility of an interview.

Sincerely,

SARAN Chamroeun
